

The Gift of Reading

The Windsor Locks Public Library welcomes donations through our *GIFT OF READING* program. Gifts will be acknowledged with a book plaque, placed in the item, naming the recipient and the donor. Gifts may also be given anonymously. The donor may choose a category and price and library staff will choose a book, DVD, or audiobook from our planned purchases based on donor specifications. We welcome more specific suggestions for purchases as well.

Please complete a plaque below as you would like it to appear.
